WHY KENYA & NAIROBI?

Your Gateway to East & Central Africa's Nonwoven & Hygiene Technology & Products

- ✦ **Strategic Advantage** : Gateway to 14 landlocked African countries via Mombasa Port & Nairobi JKIA. Duty-free/reduced tariff access to 700+ million consumers through EAC, AfCFTA & COMESA. Nairobi – the economic nerve center of East Africa.
- ✦ **Young & Growing Market** : 54+ million population, 50% under 25 years. Rising middle class fueling demand for diapers, sanitary pads, wipes & premium hygiene products.
- ✦ **Market Opportunities** : Kenya consumed 136,000 tons of nonwovens in 2024 (USD 336 million value). Per capita nonwoven consumption: 2.3 kg/person. Strong import dependence on tissues, wipes, raw materials & machinery.
- ✦ **Eco-Friendly Momentum** : Strict ban on single-use plastics driving demand for biodegradable nonwovens, sustainable packaging & paper solutions.
